

**Tab 1265 – E9th - “Any Place In Texas” - Buddy Emmons Solo – Pick Blocking**

**Standard A,B pedals**

Sounds a lot like many other riffs that use the C pedal to raise string 4 a whole tone.....

..... this riff uses a bar slide on string 4 to accomplish that smoothly and end up in position at the ....

.... 10<sup>th</sup> fret to finish out the riff

Four sound files are included; original at full speed, 30 BPM, 15 BPM and a demo that slowly and ...

... clearly sounds out each note. T = thumb, M = middle finger, I = index finger
